Body Composition Scale

ADVANTAGES

15 Second Measurement Time

- ✓ On screen display delivers rapid access to weight, body fat %, body water %, lean mass, BMR & BMI with a full illustrated printout in 60 seconds.

Large Platform

- ✓ The spacious platform allows patients to find a comfortable and secure stance.

Few Pretest Requirements

- ✓ Analysis can be performed at any time of day and under almost any circumstances, resulting in the greatest flexibility of any body composition analyzer.

Safe to Use

- ✓ This scale is FDA registered.

High Capacity

- ✓ The scale features an industry leading 1000 lb capacity, that provides the flexibility and accuracy to weigh any patient.

Patient Report Templates*

- ✓ The G6 Series scales offer users 3 graphic printout formats to use with their patients: Adult/Bariatric, Pediatric and Fitness.

* User must connect scale to a printer to provide personalized graphic printout. Printer is optional and sold separately, not available through Health o meter® Professional scales.

 **ScaleSurance Certified**

Extended Warranty Program that offers an extra 2 years of coverage
